*call 817-810-0071 or visit www.texasmilkbank.org to pre-screen and schedule a time slot at the milk drive

WHAT IS A MILK DRIVE?

Much like blood drives, a milk drive provides a safe and convenient place to drop off extra frozen breastmilk.

WHO CAN PARTICIPATE?

👉 Moms who want to start a screening 👉 Approved donors 👉 Moms with a screening in-process

HOW TO DONATE AT THE MILK DRIVE

1

Complete a short interview
& medical history
questionnaire

**call 817-810-0071 to screen in advance
(not required)*

2

Free, 5 minute, non-fasting
blood test with an onsite
phlebotomist

3

Donate your
extra frozen breastmilk!

**Donors must be approved before milk can be processed and sent to fragile babies. Until then, we can safely store your milk. Please note that, for safety reasons, milk cannot be returned. You can also schedule a milk pick-up after completing steps 1 & 2 at the milk drive.*

WHO WE ARE:

Mothers' Milk Bank of North Texas, a nonprofit founded in 2004, strives to improve the health and survival of infants through breastfeeding advocacy and the safe, equitable provision of pasteurized donor human milk.
